5.1 Where the Carriage is Port-to-Port, then the Carrier (if any) of the Carrier for loss of or damage to the Goods occurring between the time of loading at the Port of Loading and the time of discharge at the Port of Discharge shall be determined in accordance with articles 1-8 (inclusive) of the Hague Rules save as is otherwise provided in this TD. These articles of the Hague Rules shall apply as a matter of contract.

5.2 The Carrier shall be liable for any liability whatsoever for loss of or damage to the Goods, however caused, if such loss or damage arises before loading only or after discharge from the Vessel. Loading shall be deemed to have commenced when the Goods are connected with the tackle alongside the Vessel, and discharge shall be deemed to have been completed when the Goods are disconnected from the tackle alongside the Vessel.

If the Carrier is requested by the Merchant to procure Carriage by an inland carrier in the USA and the inland carrier is not a Sub-Contractor of the Carrier, such Carriage shall be procured by the Carrier as agent only to the Merchant and such Carriage shall be subject to the inland carrier's contract and tariff. If for any reason the Carrier is denied the right to act as agent at these times, his liability for loss damage or delay to the Goods shall be determined in accordance with clause 6 hereof.

6. CARRIER'S RESPONSIBILITY - COMBINED TRANSPORT

Where the Carriage is Combined Transport, the Carrier undertakes to perform and/or in his own name to procure performance of the Carriage from the Place of Receipt or the Port of Loading, whichever is applicable, to the Port of Discharge or the Place of Delivery, whichever is applicable, and, save as is otherwise provided for in this TD, the Carrier shall be liable for loss or damage occurring during the Carriage only to the extent set out below:

6.2 Where the stage of Carriage where the loss or damage occurred is **known** notwithstanding anything provided for in clause 6.1 and subject to clause 18, the liability of the Carrier in respect of such loss or damage shall be determined:

(a) in the case of shipments to or from the USA by the provisions of US COGSA if the loss or damage is known to have occurred during Carriage by sea to or from the USA or during Carriage to or from a container yard or container freight station in or immediately adjacent to the sea terminal at the Port of Loading and/or Discharge and in the USA or

(b) in the Hague Rules articles 1-8 inclusive where the provision of clause 6.2(a) does not apply and if the loss or damage is known to have occurred from and during loading onto the Vessel up to and during discharge from the Vessel. 7. COMPENSATION AND LIABILITY PROVISIONS

7.1 Subject always to the Carrier's right to limit liability as provided for herein, if the Carrier is liable for compensation in respect of loss of or damage to the Goods, such compensation shall be calculated by reference to the FOB or FCA price of the Goods plus Freight and insurance if applicable. If the FOB or FCA price of the Goods cannot be established, such compensation shall be calculated by reference to the current market price of the Goods at the time they are delivered or should have been delivered to the Merchant. The value of the Goods shall be fixed according to the current market price, by reference to the normal value of goods of the same kind and quality.

7.2 Save as is provided in clause 7.3:

7.3 The Merchant agrees and acknowledges that the Carrier has no knowledge of the value of the Goods and higher compensation than that provided for in this TD may be claimed only when, with the consent in writing of the Carrier, the value of the Goods declared by the Shipper upon delivery to the Carrier has been stated on the reverse of this TD and extra freight paid. In that case, the amount of the declared value shall be substituted for the limits laid down in this TD. Any partial loss or damage shall be adjusted pro rata on the basis of such declared value.

7.4 Notwithstanding in this TD shall operate to limit or deprive the Carrier of any statutory protection, defence, exception or limitation of liability authorised by any applicable laws, statutes or regulations of any country. The Carrier and time nevertheless be held legally liable to any such direct or indirect or consequential loss or damage caused by delay, such liability shall in no event exceed the Freight paid.

8.2 Save as is otherwise provided herein, the Carrier shall in no circumstances be liable for indirect or consequential loss or damage arising from any other cause whatsoever or for loss of profits.

8. GENERAL

8.1 The Carrier does not undertake that the Goods or any documents relating thereto shall arrive or be available at any point or place at any stage during the Carriage or at the Port of Discharge or the Place of Delivery at any particular time or to meet any particular requirement of any licence, permission, sale, credit or of the Merchant or any market or use of the Goods and the Carrier shall in no circumstances whatsoever and howsoever limited be liable for any such direct or consequential loss or damage caused by delay, such liability shall in no event exceed the Freight paid.

8.3 Once the Goods have been received by the Carrier for Carriage the Merchant shall be entitled neither to impede, delay, suspend or stop or otherwise interfere with the Carrier's intended manner of performance of the Carriage or the exercise of the liberties conferred by this TD nor to instruct or require delivery of the Goods at any other Port or Place of Receipt or the Port of Discharge or the Place of Delivery named on the reverse hereof or at a Place selected by the Carrier in the exercise of the liberties herein, for any reason whatsoever. The Merchant shall indemnify the Carrier against all claims, liabilities, losses, damages, costs, delays, legal fees and/or expenses whatsoever caused to the Carrier, his Sub-Contractors, servants or agents arising or resulting from any stoppage whatsoever in the carriage of the Goods.

8.4 The Terms and Conditions shall govern the responsibility of the Carrier in connection with or arising out of the supplying of a Container to the Merchant whether before, during or after the Carriage.

8.5 In the event that the Merchant requests the Carrier to deliver the Goods: (a) at a port other than the Port of Discharge or (b) (save in the USA) at a Place of Receipt named on the reverse hereof or (c) at a place beyond the Place of Delivery, and the Carrier in its absolute discretion agrees to such request, such further Carriage will be undertaken on the basis that the Terms and Conditions are to apply to such Carriage as if the ultimate destination agreed with the Merchant had been entered on the reverse side of this TD as the Port of Discharge or Place of Delivery.

9. NOTICE OF LOSS, TIME BAR

Unless notice of loss or damage and the general nature of such loss or damage be given in writing to the Carrier or his agents at the Place of Delivery or Port of Discharge (if no Place of Delivery is named on the reverse hereof) before or at the time of delivery of the Goods as described in clause 22 or if the loss or damage is not apparent within three days thereafter, the Carrier shall be deemed prima facie to have delivered the Goods as described in this TD. In any event, the Carrier shall be discharged from all liability whatsoever in respect of the Goods unless (a) the Merchant with twelve months after their delivery or after the date when they are considered to be duly delivered as per clause 22(2) or 22(3) as the case may be.

In case of any claims against the Carrier of whatsoever nature other than for damage to or loss of the Goods or loss of claims relating to the Goods, notice to be given within one week and suit to be brought against the Carrier within 6 months after delivery as determined in clause 22, such claims otherwise being definitively waived and time-barred.

10. DEFENCES AND LIMITS FOR THE CARRIER

10.1 It has been agreed between the Carrier and the Merchant that if the TD is a Bill of Lading only the Holder and if the TD is a non-negotiable waybill, only the Shipper or, alternatively, the Consignee (depending on which one of those two Persons actually incurred the loss or damage), shall be entitled to claim from the Carrier, whether or not such claim or allegation should nevertheless be made, to indemnify the Carrier against all consequences thereof.

10.2 The Terms and Conditions shall apply in any action against the Carrier for any loss or damage whatsoever and/or howsoever occurring (and, without restricting the generality of the foregoing, including, *inter alia*, delay and/or misdelivery) and whether the action be founded in contract, bailment or in tort and even if the loss, damage or delay arose as a result of unseaworthiness, negligence or fundamental breach of contract.

11. SHIPPER-PACKED CONTAINERS

If a Container has not been packed by or on behalf of the Carrier (FCL Container):

11.1 This TD shall be a receipt only for such a Container;

11.2 The Carrier shall not be liable for loss of or damage to the contents and the Merchant shall indemnify the Carrier against any injury, loss, damage, liability or expense whatsoever incurred by the Carrier if such loss of or damage to the contents and/or such injury, loss, damage, liability or expense has been caused by any matter beyond his control including, *inter alia*, without prejudice to the generality of this exclusion:

(a) the manner in which the Container has been packed or

(b) the unsuitability of the Goods for such Containers; or

(c) the unsuitability or defective condition of the Container (including blocked drains) or the incorrect setting of any thermostatic, ventilation, or other special controls thereof, provided that, if the Container has been supplied by the Carrier, this unsuitability could not have been apparent upon reasonable inspection by the Merchant at or prior to the time the Container was packed;

11.3 The Merchant is responsible for the packing and sealing of all FCL Containers and, if a FCL Container is delivered by the Carrier with its original seal as affixed by the Shipper intact, the Carrier shall not be liable for any shortage of Goods occurring under such circumstances.

11.4 The Shipper shall inspect Containers before packing them and the use of Containers shall be prima facie evidence of their being sound and suitable for use.

12. PERISHABLE CARGO

12.1 Goods, including Goods of a perishable nature, shall be carried in ordinary Containers without special protection, services or other measures unless there is noted on the reverse side of this TD that the Goods will be carried in a refrigerated, heated, electrically ventilated or otherwise specially equipped Container or care to receive such Goods is indicated on the reverse side of this TD. The Carrier shall be liable for loss of or damage to the cargo, refrigeration, ventilation or any other specialised attention without giving written notice of their nature and the particular temperature of supply air to be maintained or other setting of the thermostatic, ventilation or other special controls, if the above requirements are not complied with, the Carrier shall not be liable for any loss of or damage to the cargo, however arising.

12.2 Temperature instructions given by the Merchant for temperature controlled Containers will always relate to the supply air temperature range to be maintained by the Carrier during the Carriage. The Carrier will not guarantee any temperature range inside the Container. The temperature of the Goods upon delivery to or loading on board of the Vessel is not to be controlled by the Carrier and will be the sole responsibility of the Merchant.

The Carrier does not guarantee the maintenance of any intended level of humidity inside the Container.

12.3 The term "apparent good order and condition" when used in this TD with reference to goods which require refrigeration, ventilation or other specialised attention does not mean that the Goods, when received, were verified and found to be being in good order and condition, but that they appeared to be so.

12.4 The Carrier shall not be liable for any loss of or damage to the Goods arising from theft, pilferage, disappearance, breakdown, defrosting, stoppage of the refrigerating, ventilating or any other specialised machinery, plant, insulation and/or apparatus of the Container, Vessel, conveyance and any other facilities, provided that the Carrier shall before and at the beginning of the Carriage exercise due diligence to maintain the Container supplied by the Carrier in an efficient state.

13. INSPECTION OF GOODS

The Carrier shall be entitled, but under no obligation, to open and/or scan any Package or Container at any time and to inspect the contents of any Container at any time that the Goods cannot safely or properly be carried or carried further, either at all or without incurring any additional expense or taking any measures in relation to the Container or the Goods, the Carrier may without notice to the Merchant (but as its agent only) take any measures and/or incur any reasonable additional expense to carry or to continue the Carriage thereof, and/or to seal or despatch the Goods and/or to abandon the Carriage and/or to store them ashore or afloat, under cover or in the open, at any place, whichever the Carrier in his absolute discretion considers most appropriate, which sale, disposal, abandonment or storage shall be deemed to constitute due delivery under this TD. The Merchant shall indemnify the Carrier against any reasonable additional expense so incurred. The Carrier in exercising the liberties contained in this clause shall not be liable for any claim or allegation to take any particular measure and shall not be liable for any loss, delay or damage however arising from any action or lack of action under this clause.

14. DESCRIPTION OF GOODS

14.1 This TD shall be prima facie evidence of the receipt by the Carrier in apparent good order and condition, except as otherwise noted, of the total number of Containers or other packages or units indicated in the box on the reverse side hereof entitled "Particulars furnished by the Merchant".

14.2 No representation is made by the Carrier as to the weight, contents, measure, quantity, quality, description, condition, marks, numbers or value of the Goods and the Carrier shall be under no responsibility whatsoever in respect of such description or particulars.

14.3 The Shipper warrants to the Carrier that the particulars relating to the Goods as set out on the reverse hereof have been checked by the Shipper on receipt of this TD and that such particulars, and any other particulars furnished by or on behalf of the Shipper, are accurate and correct. The Shipper also warrants that the Goods are lawful goods, and contain no contraband, drugs, stowaways or other illegal substances, and that the Goods will not cause loss, damage or expense to the Carrier, or to any other cargo.

14.4 If any particulars of any letter of credit or import/export licence and/or Temp/Atas and/or sales contract and/or invoice or number and label and/or any other document which the Carrier appears to all such documents, if any, in this TD, such particulars are included at the sole risk of the Merchant and for his convenience. The Merchant agrees that the inclusion of such particulars shall not be regarded as a declaration of value and in no way increases Carrier's liability under this TD.

15. MERCHANT'S RESPONSIBILITY

15.1 All of the Persons concerned within the definition of Merchant in clause 1 shall be jointly and severally liable to the Carrier for the due fulfilment of all obligations undertaken by the Merchant in this TD.

15.2 The Merchant shall be liable for and shall indemnify the Carrier against all loss, damage, delay, fines, legal fees and/or expenses arising from any breach of any of the warranties in clause 14.3 or elsewhere in this TD and from any other cause whatsoever in connection with the Goods for which the Carrier is not responsible.

15.3 The Merchant shall comply with all regulations or requirements of customs, port and other authorities, and shall bear and pay all duties, taxes, fines, imposts, expenses or losses (including, without prejudice to the generality of the foregoing Freight for any additional Carriage undertaken) incurred or suffered by reason of any failure to so comply, or by reason of any illegal, incorrect or insufficient declaration, marking, numbering or addressing of the Goods, and shall indemnify the Carrier in respect thereof.

15.4 If Containers supplied by or on behalf of the Carrier are unpacked at the Merchant's premises, the Merchant is responsible for returning the empty Containers, with interiors clean, odour free and in the same condition as received, to the point or place designated by the Carrier, within the time prescribed. Should a Container be returned in the condition required and/or within the time prescribed in the Tariff, the Merchant shall be liable for any detention, loss or expense incurred as a result thereof.

15.5 Containers released to the Carrier by the Merchant for packing, unpacking or any other purpose whatsoever shall be at the sole risk of the Merchant until redelivered to the Carrier. The Merchant shall indemnify the Carrier for all loss of and/or damage and/or delay to such Containers. Merchants are deemed to be aware of the dimensions and capacity of any Containers released to them.

16. FREIGHT, EXPENSES AND FEES

16.1 Full Freight and/or Charges shall be payable based on particulars furnished by or on behalf of the Shipper. The Carrier may at any time open the Goods or Container(s) and, if the Shipper's particulars are incorrect the Carrier may, without prejudice to the Carrier's right to claim Freight and/or Charges and any expenses incurred in examining, weighing, measuring, or valuing the Goods.

16.2 The Merchant is responsible for the payment of the Freight and/or Charges which shall be considered completely earned on receipt of the Goods by the Carrier and shall be paid and not refundable in any event.

16.3 All sums payable to the Carrier are due on demand and shall be paid in full in United States currency or, at the Carrier's option, in its equivalent in the currency of the Port of Loading or of Discharge or the Place of Receipt or of Delivery or as specified in the Carrier's Tariff.

16.4 The Merchant's attention is drawn to the stipulations concerning currency in which the Freight and/or Charges (if any) are to be paid, rate of exchange, devaluation, additional insurance premium and other contingencies relative to Freight and/or Charges in the applicable Tariff.

16.5 All Freight and/or Charges shall be paid without any set-off, counter-claim, deduction or stay of execution at latest before delivery of the Goods.

16.6 If the Merchant fails to pay the Freight and/or Charges when due he shall be liable also for the payment of reasonable legal fees and expenses incurred in collecting any sums due to the Carrier and interests at a rate of 1% per month from the due date. Payment of Freight and Charges shall be paid to the Carrier and/or its authorised agent, shall not be deemed payment to the Carrier and shall be made at the Merchant's sole risk.
